**FARA registration #6344**

It was a pleasure to speak with you.

On our call we discussed the contributions of the Shincheonji to reduce the impact of COVID-19 in our communities.

A letter or certificate of recognition serves as a great source of encouragement, especially as the Shincheonji continue to overcome ongoing harassment and misrepresentation.

We greatly appreciate your consideration.

**DRAFT**

I commend you for your generous acts of service in the community throughout the COVID-19 pandemic. During this difficult time, your leadership and compassion are helping to bring hope to and unify our community.

Thank you for your work to organize and promote blood and plasma drives, food and clothing donations, and vaccine education, as well as for providing a space for people of all faiths to discuss and pray for the end of COVID-19.

Your collaboration with the American Red Cross to host blood drives and now with the National Institute of Health Community Engagement Alliance (CEAL) to inform the most at-risk about vaccines are an inspiration to all of us to also get involved.

I encourage you to continue your efforts in good health. It is an honor to serve you.

**DRAFT**

I would like to recognize the members of the Shincheonji Church of Jesus across the United States for their commitment to community and volunteerism throughout the COVID-19 pandemic. Thank you for serving your community through promotion of blood drives, food and clothing donations, and vaccine education.
